- **AQ-BIOCARE PLUS®** produces less waste.

DOSIS

The recommended doses are:

Eggs: 25 to 100 ppm.

Fry: 15 to 50 ppm.

Smolts: 15 to 50 ppm.

Broodstock: 15 to 50 ppm.

PRESENTATION

AQ-BIOCARE PLUS®, is marketed in 5 and 25 kg formats.

COMPOSICIÓN

AQ-BIOCARE PLUS®, is a blend of organic acids and natural Australian essential oils. Safe for all stages of production in salmon and trout. No negative impact or risk to the environment.

ADMINISTRACIÓN

The product can be used in open or closed systems (ponds, tanks, wellboats). Residues must be disposed of according to current legislation.

AQ-BIOCARE PLUS® should not be combined or mixed with other products.

Calculate the amount of AQ-BIOCARE PLUS® needed, for example:

Required concentration: 25 ppm - 25 g/m³.

Volume of water in the bath: 100 m³.

Amount of AQ-BIOCARE PLUS® for the desired concentration: 100 x 25 = 2500 grams.

Mix well and maintain adequate aeration. Before using this product, read and follow instructions carefully, warnings and information contained on the product label.
